

## EXPECTATIONS OF A REGION 9 TECHNICIAN

1. All technicians will report to the mandatory technicians' meeting on Saturday. The time and location will be in the Region 9 booklet.
2. All technicians will come equipped with a pen or pencil and a watch. Acceptable watches would be a stop watch, a regular watch that shows seconds, or a cell phone with a stop watch feature. Technicians must be neatly dressed.
3. Complete instructions will be given in the technicians' meeting. Please play close attention so that you can complete the technicians' form correctly and carry out your duties efficiently.
4. If there is a problem, report to the Tally/Judges room in Vincent Science Hall.
5. When all students in your assigned unit have presented, sign your sheet and have the judges sign the bottom of the sheet also. Return the timing sheet AND any other equipment that was given to you to the Tally/Judges room in Vincent Science Hall.
6. You should be in your assigned room 10 MINUTES BEFORE the start of the session.
